Message from the Commodore- Michael Hunt

It's Tuesday, September 28, 2004 and I'm struggling to come up with some profound message of comfort, condolence and wisdom. The words don't come and all I can do is empathize for all the people who have lost so much as a result of Hurricane Ivan.

Neil and Pam Rowell have been my eyes at Pirate's Cove and tell me that until we develop a restoration plan, not much is to be done at the Club. We will keep you advised.

Susan and Guy Storey, who live in Stone Quarry, have volunteered their home for upcoming meetings or events WOW! Talk about community spirit! Thanks for the offer; I'm going to take them up on their offer at least for the next Board Meeting on October 14th.

I've had emails from Molly Klass and Kathy Coate as well. Thanks for thinking of us. And by the way, Kathy...."the only people who don't make someone angry or otherwise out of sorts are the ones who never do anything." Thanks for trying even if it didn't work out.

And special thanks to Webmaster Bill Smart for relaying messages and maintaining the website during these trying times. Thank you, Bill!

For the time being, all scheduled activities at the Club are being canceled or otherwise postponed until further notice. The Officers and Board will see what can be salvaged at the regular Board Meeting on October 14th. For the record, I think we can count on having the November membership meeting and the Christmas Party (which will be held at the Ono Commons on Ono Island) in December. Will keep you posted.

Hoping this message finds you well and as secure as possible. Let the clean up and recovery continue!!!

Michael
