

The "Tell Tale"

The Point Yacht Club Newsletter

November 2004

Message from the Commodore- Michael Hunt

Bent, bruised and disheveled, but not down and out might rightly describe The Point Yacht Club after Hurricane Ivan stormed through in September.

Our clubhouse was smack in the path of ugly Ivan and took the storm head on. Thanks to Denny Blume and a host of volunteers, the clubhouse has been cleared of debris and reset on temporary blocks until permanent pilings can be jettied in place. A big thanks to everyone who showed up for the work party! Looking ahead, there is still a lot of work to do. The good news is that club members can do much of it. We'll keep you posted.

The officers and board have agreed that all sailing events for the remainder of the year will be cancelled. However, the November board meeting and general membership meeting will be held as scheduled on November 11. Thanks to Susan and Guy Storey, we will be meeting at their home in Stone Quarry (28582 North Quarry Lane). Elaine and I will be providing an Italian special. Make plans to attend. Thank you Guy and Susan for volunteering your home!

And don't forget to make plans to attend the club Christmas Party at the Ono Commons Center on Ono Island December 11. More details to follow.

In conclusion, let me remind everyone that the nominating committee is
