

The “Tell Tale”

The Point Yacht Club Newsletter

April 2004

Message from the Commodore- Michael Hunt

If you can judge the remainder of 2004 by the past several weeks, this is going to be a wonderful year for the membership of The Point Yacht Club.

Earlier this month the members supported the Wheelbarrow Regatta with what we think was a record turnout of boats and attendances. It didn't hurt that the weather cooperated beautifully or that June Lovell prepared and provided a terrific array of side dishes, salads, etc. to go along with the entrees that we all brought to grill on the new charcoal grill that John Shaw had custom fabricated for the “West Wing”. Great job everyone!!!!

And just to make things even better, fifteen boats and lively crews turned out for the Ingram's Bayou Raft-Up hosted by Ed and Michelle Harrison. I know we must be living right because in addition to having gracious hosts (Ed and Michelle), the weather cooperated to the fullest once again. Sorry I missed the Raft-Up, but we had “One of Those Days”.

Don't forget the General Membership Meeting on April 8. We will be voting on new members and dining on Hank Coate's famous beef brisket. Looking forward to seeing you there!!!!

Michael
