Message from the Commodore-

Michael Hunt

What a time it was!!!!!! The Fast Women Regatta was delayed one day (from Saturday to Sunday) but the enthusiasm didn't diminish one little bit.

Sunday's winds started out light and shifty, but built to moderate by mid afternoon. Fifteen boats completed the Fast Women's Race. The competition was intense and everyone had a good time.

After the race was over, nearly seventy participants and observers gathered for the awards ceremony and social. Speaking of social, Hank Coats provided the food consisting of shrimp, corn, potatoes, etc. It was a meal to be remembered. (I am afraid to ask what it cost!)

And let's not forget the race committee. Jo Hood and assistants did a great job of taking care of all the many details necessary to make the regatta a success. Thanks Jo!

Speaking of the race committee, Jo says he still needs volunteers to help with the Lost Bay Regatta in September. How about giving him a call and volunteering to work on the Committee Boat or other jobs associated with the race.

Activities are in full swing this summer. Don't forget to be at the Membership Meeting on August 12. Mary Alice Marston is providing the food. I am looking

In summary, all of the many details necessary to put on the Lost Bay Regatta are beginning to come together. Committee members are meeting regularly. I truly appreciate all they are doing.
