

The "Tell Tale"

The Point Yacht Club Newsletter

January 2005

Message from the Commodore-

Lee Pelfrey

Michael started off his December newsletter stating that 2004 started off with a BANG! Well I'm here to tell you that thanks to Michael, Elaine and their crew, it also ended with a BANG! The Christmas Party was very well attended, featured an awesome selection of food and the best in fellowship. Those of you who couldn't attend missed a "whale" (appropriate for a yacht club!) of a party.

We did manage to accomplish some club business prior to the festivities. The nominees for the 2005 officers and board were presented by the outgoing Commodore (he sure was smiling a lot!). The election results are listed in the right column. I believe we have a good combination of experienced members and newer members who are willing to offer their time and efforts to help manage your club.

I think most will agree that the best way to enjoy any organization and get to know your fellow members is to get involved. We are providing a list of proposed committees for 2005 in this newsletter. These committees are essential to making things happen. I visualize that each committee will have three or more members, so we need 20 plus energetic volunteers to help us "Have Fun On The Water"!! If you are interested in serving on one of the committees, I encourage you to give me a call.

We will have the first meeting of the new board on January 6, 2005. This meeting will focus on:

1. The master schedule of events for the year
2. Staffing of committees
3. Status and plan for our clubhouse facility.
