The Point Yacht Club Newsletter

February 2005

Message from the Commodore-

Lee Pelfrey

The first board meeting for 2005 was held January 6. The excellent attendance by the board members is much appreciated and kicks off our new year on a positive note. There were four main objectives for the meeting:

- 1. Clubhouse and Facilities Status and Planning.** High on the priority list, of course, is to rectify the club facility situation. I believe we made good progress with the establishment and staffing of the Facilities and Long Range Planning Committees with very competent people. The LRP Committee had a very productive meeting with Pirates Cove management in late December. Our plans hinge on some future plans for Pirates Cove that are awaiting completion. It is anticipated that there will be information by mid-February that will allow us to proceed with our planning. I will keep you informed as things progress.
- 2. 2005 Master Schedule.** It is basically complete and has been coordinated with GYA. My thanks to Neal Rowell's efforts. The schedule is posted on our website in a printable version thanks to a suggestion from D.J. Hazelbrook and to Bill Smart's expertise. Check out the great graphics. We hope to add some events as the year goes on and will post all additions and changes on the website. The schedule also will be included in your roster booklet as usual.
- 3. Roster and Membership Card Distribution.** The deadline for 2005 dues payment, in order to be included in this year's roster, is February 15. We plan to have the rosters printed and mailed with membership cards by March 1. If this creates a problem for anyone, please give me a call.
- 4. Committee Planning and Staffing.** I am pleased with the committee development so far, but we still have some important slots to fill in order to provide the activities for the enjoyment of our membership.

2005 Committees and Staffing are:

- a. Budget and Finance**—Karen Brown, Chairman; Michael Hunt
- b. Race and Regatta**—Charlie Brown, Neal Rowell. **Need a chairman and one or two**
