

The "Tell Tale"

The Point Yacht Club Newsletter

August 2005

Message from the Commodore-

Lee Pelfrey

July was a light month for club activity. Probably just as well with having to deal with another hurricane (Thankfully, we were spared!) and the heat. The Fast Women Regatta was held on the 16th and attracted great participation. I understand the cookout afterwards was excellent.

The board meeting was held on the 14th. A distribution plan was developed for the Lost Bay Regatta publication. The mailings took place August 1 and the distribution by hand to sponsors and other local points was completed this week. The entire publication is posted on our website with links to our sponsors. It is pretty slick. Please check it out and talk it up with our sponsors if you have the chance.

We have received four information requests regarding our club via the website in July. They were very complimentary about our site. Many thanks to Bill Smart, our man across the sea, for his excellent help.

The August board meeting will be held August 11th at 6 pm at the Fire Department. We will not have a membership meeting on the 11th. Instead we will hold it at the Loo-Wow at 4 pm on the 20th. A new member application for Charles and Martha Shernbergh of Orange Beach was approved by the board and will be read at this next membership meeting. Charles is a retired physician. They sail an Oceanis 350 and are sponsored by John Shaw and Neal Rowell.

I had a brief meeting with Paul Mueller at Pirate's Cove regarding the old

clubhouse. It is scheduled to be moved in August. They are still early in the planning stages as to what they will be doing with the properties. We will stay in touch and advise you as we get more information. We also will complete the current phase on the deck sometime in August assuming no more storms.

Loo-Wow Plans Saturday, August 20

Lee and Brenda will capture Hatchet Point at Marker 68 early Saturday morning and set up camp. We will have a white canopy and a large green umbrella along with a bunch of other stuff on the beach. If someone wants to get there Friday night and secure the spot, please do! There is deep water right up to shore on the south side of the point and shallow water suitable for dinghies on the east side. Stone Quarry Bayou offers protected anchoring a short dinghy ride away. The club will provide a low country boil on the beach Saturday evening. We welcome any and all participation, games, activities, specialty libations, snacks, etc.

In order to make sure we have enough food we need to know if you plan to attend. Please email me at commodore@pointyachtclub.org or phone 252-987-5967.
