

The “Tell Tale”

The Point Yacht Club Newsletter

November 2006

Message from the Commodore Guy Storey

WHERE’S THE FAT LADY?

She’s not ready to sing just yet, but we’re 54 days away from a New year! 2006 has been a fantastic year for The Point Yacht Club and all the Gulf Coast clubs...NO HURRICANES so far! It has been a terrific racing season, and we have had some really good parties.

If you missed the Halloween Party and Raft Up with the Pensacola Yacht Club, you missed one of the best weekends of the year! The PYC fleet totaled 26 vessels, over 100 guests, and the Sunday Brunch was unbelievable! A record number of Bloody Mary’s and Mimosas were consumed and the culinary treats prepared by our guests were the best! We fed 115+ for dinner on Saturday night and Sean’s gumbo was a big hit! And the costumed crew spilled over to the Cove for the Halloween Party and a great time was had by all!

We appreciate the time and effort Ed Helms and the PYC made to organize the Raft Up and prepare some great food. And special thanks to Jon Weyand for planning and organizing our share of the weekend and to Sean, Brett and a host of club members for helping to make this event a huge success.

We voted in two new members at the Membership Meeting. Please join me in welcoming Rick and JoAn Day and Gerald and Jean Ray to our club. The Rays sail a Beneteau 321 and the Days own a fleet of sailboats!

The November social event will be a Turkey Fry at Sean and Christine’s house on Thanksgiving Day. Bring your turkey for a deep fry and some grog for the social hour. Directions will be emailed soon.

The Board will be presented with a slate of candidates for the 2007 Flag Officers and Board of Governors at our next Board meeting on Thursday. There is one Board position and the Fleet Captain position still open. If you have interest in serving your club, please contact me before the Thursday meeting.

Please join us for the Turkey Fry! Enjoy your Thanksgiving....and thank Mother Nature for giving us a break this year!

See ‘ya on the water! Guy
