

The “Tell Tale”

The Point Yacht Club Newsletter

December 2006

Message from the Commodore Guy Storey THANK YOU FOR....

The opportunity to serve your club as Commodore for 2006, a fantastic team of Flag Officers and Board Members, great support from the membership for our racing and social events, a successful Lost Bay Regatta, nine new members and three potential members for second reading at the Christmas Party, NO HURRICANES, an exciting race year and the return of our Flying Scot!

2006 was a banner year for PtYC, and there are plenty of thank you's to go around. Our Vice President of Fun Lee Pelfrey and Past Commodore Brenda, organized some terrific social functions and we look forward to another Chile Cook Off this winter. Brett Holk managed the racing events like a pro and is looking forward to moving from Fleet Captain to Contender next season. Thanks to Jon Weyand, the joint Raft Up, cook out and Halloween Party with the Pensacola Yacht Club has already evolved into an annual event. And to Sean Hickey, congratulations on a great Lost Bay Regatta and being officially named the “Turkey Meister” for a grand new Thanksgiving tradition of fried turkey and cold beer, etc at his Soldier's Creek home.

A special thank you to my Commodore, Susan, for all the time and effort she spent editing my goofy compositions for Tell Tale and making certain that the message made it to your email or mail box timely....(except for Steve McGonigal...please accept our apologies!) Susan and her sales team had record merchandise sales at the Lost Bay Regatta this year, and with Lee's help, had record ad revenues for the Regatta publication. Thanks to Lost Bay revenue and new member applications, your club is in excellent fiscal condition to year end. And thank you to the Mueller's for our facility and beach.

We will elect your Flag Officers and Board of Governors at the Christmas Party. The following slate of candidates will be presented for your vote:

Commodore	Randy Simmons
Vice Commodore	Sean Hickey
Rear Commodore	Guy Storey
Secretary	Veda Kelley
Treasurer	Don Fuqua
Fleet Captain	STILL SEARCHING!
Board of Governors	Larry Chapman, Gary Beson, John Carr, Tom Conrad

The floor will be open for nominations. We need a Fleet Captain to have a 2007 racing program. Please consider serving your club in this vital position.

I hope you will join us for the Christmas Party at our home this Saturday. If you can't attend, Susan and I wish you a Happy Holiday Season!

See 'ya on the water in 2007.....Guy
