The Point Yacht Club Newsletter

January 2006

Message from the Commodore-

Guy Storey

Thank You, Commodore Lee!

On behalf of the membership of The Point Yacht Club, I want to thank Commodore Lee Pelfrey for his dedication, time and leadership to navigate the Club through a tough 2005. Thanks to his tireless efforts, we are entering 2006 in excellent financial condition, new members who are taking an active role on the Bridge, and his continued support and leadership as Rear Commodore and "VP of FUN" for the coming year! For all you and Brenda have done for this organization, THANK YOU.

I am excited to have the opportunity to take the helm for 2006, and thankful to have the support of the leadership team who volunteered to serve on the Board to help move the club forward. Unfortunately, Charlie Brown has resigned his Directors position to serve as President of his Homeowners Association. We wish Charlie well in his challenges at Peninsula. If you have an interest in serving on the Board of Directors, please contact me at your convenience.

Brett, Jon, Randy and I attended the GYA Winter Meeting in Mobile on Jan. 7 & 8, and have a schedule commitment for our GYA sanctioned regattas: Fast Women on July 15, and Lost Bay on Sept. 16. Mark your calendar for those important events. We will need your help and support to make these events a continued success in the GYA arena!

Lee and Brenda are already planning some new social functions, starting with the February meeting, and we plan to increase general membership meeting dates as suggested by many of our members. If you have ideas and recommendations for meeting themes and activities, please share your thoughts and comments with any member of the Board. We hope to have a preliminary 2006 calendar ready in February.

Our first Board meeting will be held on January 12, and we welcome your input and inquiries that we may address at the meeting. Please feel free to contact me with any questions, issues or suggestions.

With a little luck from Mother Nature, and the hard work and dedication of Flag Officers and Directors, 2006 will be a "FUN" year...support YOUR Club! Having witnessed the GYA disaster reports at the Winter Meeting, we have to be thankful to have a West Wing, to have race equipment, and a successful Lost Bay Regatta in the history books. We hope to see you on the water!
