The Point Yacht Club Newsletter

March 2006

Message from the Commodore- Guy Storey

The February Membership Meeting was a tremendous success, thanks to Lee and Brenda! We had a great turnout, including 8 guests, and, hopefully, several new members. **Congratulations to Kirsten Simmons for “BEST IN BOWL” winner of the Chili Cook-Off contest. Second place went to Susan Storey and third place to Pam and Neal Rowell.** Competition was keen, with a great variety of Chili, including venison, and a lot of secret ingredients. **And a Big Thank You to Sandy Gould and Kim Gibson for the great corn bread. Sandy offered her recipe for publication, and it’s flying here with the Tell Tale. ([Click here for recipe](#))** Another big thank you to all who brought those wonderful desserts.

The Wheel Barrow Regatta will be held on Saturday, March 11, with the Skipper’s Meeting scheduled for 11:00 am, and the starting gun at 1:00 pm. Contact Fleet Captain Brett Holk for additional details. ([Click here for Race Notice](#)). The March Membership meeting will be held following the race at the Point Pavilion. The club will provide the main course for dinner and members are encouraged to bring a covered dish and BYOB. You may want to bring a folding chair, and your favorite CD for entertainment.

The Ingram Bayou Raft up will be held on Saturday, March 18. Please join us for this annual “kick back” event, where you can hone your social skills, enjoy some grog and tasty hors d’oeuvres (bring your favorite to share with the gang), drop the hook and spend the night! This is always a great event...please plan to join us!

The Board continues to explore options for the resolution to a “home port” for the Club. Talks are continuing with the owners of Pirates Cove, with some hope that we will continue our residency at the Point Pavilion. In any event, we are considering improvements to the facility for construction of screened enclosures and other amenities, to increase the utility of the Pavilion. The Mueller’s have been tremendous supporters of our organization, and we’re confident that they will make every effort to accommodate our facility needs, as best they can. We’re very appreciative of all of their efforts, and hope that we will continue our relationship with Pirate’s Cove, as Pavilion residents or tenants in a new structure, should that come to pass....where would we go for Bushwhackers and Burgers?

We are still recruiting for one board member, and encourage you to consider lending your skills and expertise to the Club’s leadership team. If you have any interest in contributing to the management and direction of YOUR club, please contact any of the Flag Officers. The Club Directory is about to go to press, and if you plan to renew your membership, and have not paid your annual dues, please send in your check as soon as possible, or call to let us know that it’s on the way. We don’t want to omit anyone who is planning to renew.

You have TWO opportunities to participate in Club events this month. Get involved...

Let’s get to the Point!! Hope to see “Ya on the Water”!
