"Cheeseburger in Josephine"

Well...you have to agree that Josephine is close to Paradise and the best cheeseburgers are prepared at Pirates Cove in the very heart of Josephine. And Spring at Pirates Cove means "The Cheeseburger Race"! Get your sailboat ready and join us on Saturday April 8 for the big race. Join us at the Club Pavilion at 5 pm for a short membership meeting. We will have the second reading for three new member applications and a really brief business session. Then we'll have cheeseburgers from the Cove along with some great Jimmy Buffet music. BYOB and bring an appetizer to share. Please email and let us know if you are coming so we know how many cheeseburgers to order.

This year has started off with some really fun events. The Wheelbarrow Regatta was a great race, with Jo Hood taking top honors aboard Cannonball; Larry Chapman in second place on Sweet Little Sheila and Zig Zag with Denny Blume at the helm finishing third. The Ingram Bayou Raft Up was a huge success, with 13 boats at anchor for the Wine and Cheese Party and eight boats remaining overnight. Thanks again to Lee and Brenda Pelfrey for organizing that great event. Lee, our Vice President of Fun, is hard at work with some new events on the drawing board, but he wants your input and ideas. Give him a call.

Plans are underway for some facility improvements on the Pavilion, with costs and codes as priorities. Our goal is to make the structure "pest free", offer better protection from weather and provide some permanent storage for equipment and race gear. We will keep you posted on the progress and Board approval of the project.

We still have an open position on the Board and it is critical that we fill this slot as we approach planning time for The Lost Bay Regatta. The job requires one hour of your time each month for our meeting (And we make sure that it is only one hour!!!) and we ask for your experience, knowledge and input on the growth and success of YOUR yacht club. Please contact any Flag Officer or Board member if you have an interest in this position.

Mark your calendar for The Wood Boat Festival May 6 at the Cove. The Club will rent a booth for the event to tell visitors about our great Club and to provide a spot for members to sell their "boat stuff". Any marine equipment and gear that you want to sell should be priced and name tagged. We also plan to sell boiled peanuts. If anyone has a recipe for boiled peanuts, please email to me at storeycom@gulftel.com.

I would like to give a BIG WELCOME to our newest members, Veda and Jack Kelley! We are happy to have you aboard.

Enjoy Spring, Daylight Savings Time, Easter, The Masters, April 15th (UGH!!!), etc.

See 'ya on the water.
