#### **WE NEED YOUR HELP!**

107 days and counting....Lost Bay Regatta is COMING! Absent another Ivan, Saturday, September 16 will be another defining moment for our Club, and a major event on the GYA calendar.

The Lost Bay Regatta is the "showcase" event for our Club, and an important venue for many serious GYA sailors. We are in the beginning planning stages for this event, and need your support and contributions to make this another successful regatta and party for our Club members and GYA club members. The Board will meet Thursday, June 8 to plan committee assignments, tasks, timelines and contingency plans for the Regatta. If you are interested in serving on one of the committees or donating your time to work during the Regatta, please contact me, one of the Flag Officers or Board members prior to the Board Meeting. The committees include: **Budget, Publicity and Sponsorship, Entertainment, Trophies, Grounds, Food and Beverage, Merchandise, Race Committee and Pirates Cove Coordinator.** We need your help to make this a successful event and provide financial support for our Club.

The June Raft Up has been combined with the "We Found The Bay"

Regatta, membership meeting and cookout, all now scheduled for Saturday, June 24 at Pirates Cove. Roberts Bayou will be the raft up location. We will send a flyer to update everyone soon. This is another great opportunity to invite guests and potential members. If you cannot overnight on your boat, we'll have plenty of dinks to shuttle you to the raft up and back to the docks. More information coming!!!

Fleet Captain Brett Holk will hold the Skipper's Meeting at 11 am that day at the Point Pavilion, with the race start scheduled for 1 pm. "We Found The Bay" is a great tune up for the big event in September. Shanghai a crew and come chase the wind!

We have lost contact with our Webmaster, Bill Smart, who lives in Thailand now. If you have knowledge and experience with website management, we need you to help rebuild the site and maintain it monthly. Please contact me if you are interested in connecting the Club to the world!

See 'ya on the water.

**Guy**
