

# The “Tell Tale”

The Point Yacht Club Newsletter

January 2007

## Message from the Commodore Randy Simmons

The first thing for 2007 is to thank Commodore Guy Storey and his officers for a fun 2006. Guy and Susan – what an asset to the club! We ended 2006 in fine shape in which to start the new year off right. 2007 is already taking shape with a calendar full of fun events.

The winter meeting of the GYA was well attended and we have our GYA events on their calendar. This year we added our *We Found The Bay* race as a GYA event. As part of the winter meeting, our Fleet Captain, John Bozeman, attended a US Sailing race management seminar, and is now ready to provide us with some good races this year.

What we need now is a facility. We are making plans to upgrade, renovate, rebuild, etc. the west wing to provide us with the means to have storage and functions during inclement weather. We will need competent labor, and we know who you are, to pull this off. Of course, it will be in conjunction with a party! I will let you know as the plans come together.

I am delighted to have the members of the board that we have this year. We have a wealth of knowledge and experience as well as some new blood. The most gratifying is that they all “volunteered.” If you will do the same and “volunteer” to attend and get involved in the events that your club provides for you, you will enjoy your club a lot more and have a lot of fun doing it.

The calendar is filling up so get ready for 2007!

### **2007 DUES**
