

The "Tell Tale"

The Point Yacht Club Newsletter

February 2007

Message from the Commodore Randy Simmons

WE HAVE A PLAN! A Building Committee meeting was held at our pavilion and we think we have a plan that will work for us. The Point Yacht Club is now accepting applications for the position of "Construction Superintendent." The position requires a basic understanding of construction methods such as framing a wall, installing siding, basic plumbing, etc. The job description is standing around giving orders. We offer excellent salary and benefits to the successful candidate for this position. Please call Randy if you or anyone you know is interested in this position. Also, must be able to motivate a work force that is only there for the beer.

The 2007 Calendar of Events is almost completed and should be finalized at the February 8th Board Meeting. Don't wait for your calendar because we already have a Chili Cook-off Party competition planned for February 24th at the Josephine "Party Barn." You should have already received an e-mail on this event. Last year was a great event and this one should be no different thanks to Lee & Brenda Pelfrey for putting this together. You need to attend this event! We hope you have signed up to make a pot of your favorite chili or cornbread, and see if you can dethrone Kirsten Simmons the current reigning champ. Remember, every "cooker" needs a good "taster." Even if you have not entered the cook-off, you should come sample the fare. It is also the membership meeting for this month.

I hope you are getting your boats ready because the boating season starts in March. We have the Wheelbarrow Regatta/cook out/membership meeting on March 10th and the annual Ingram Bayou raft-up on March 17th. Make plans and hope to see you there!

Randy
