

The “Tell Tale”

The Point Yacht Club Newsletter

May 2007

Message from the Commodore Randy Simmons

The weather is nice and the water is as pretty as you're going to see it. All the more reason to get out there! Speaking of “out there,” some of our cruisers are leaving June 1 for Port St. Joe. If anyone else would like to go, contact Tom Conrad at tomconrad@prodigy.net so he can add you to the float plan and make some advanced reservations. The club has a raft-up at Ft. McRea on the weekend of June 9 & 10 the same time that the Port St. Joe cruisers are scheduled to return. Sounds like a party to me. You will soon be receiving a flyer for that weekend. I hear there may be some beach and water activities. It's probably ok if you want to leave Friday and spend the weekend.

Plan to attend the membership meeting on Saturday, May 19. You should have already received a notice to bring your own drinks and a side dish or desert to share. The club will be barbecuing chicken. This is a great time to see some members that you haven't seen in awhile and meet some new members that you don't know. We have two proposed members that we would like to present to the membership at this meeting. They are Tynes & DeSha Stringfellow that I mentioned in the April newsletter and Barrett & Holly Van Sise from Foley. If anyone has any discussion on these two proposed members, please contact any board member before May 19. The Point Yacht Club is a member's organization, therefore, I encourage you to attend the meetings and have a voice in the makeup of your club.

Our own Phil Turner won the “Perseverance Trophy” at the 2007 Dauphin Island Race in April. Winds were light that day and “perseverance” is when you cross the finish line 4 seconds before the race committee calls the race. Go Phil!

Randy
