## Message from the Commodore Jon Weyand

### HEAD’S UP!

That’s right, the head is in operation at our recently upgraded pavilion. We also have a storage closet, clear enclosure panels and lockable front doors to keep out the cold air, rain, and whatever else. Large stainless steel patio heaters, thanks to John and Susan Carr, will also add greatly to our comfort.

February 9 was a very productive day for the Club. The work (and I do mean work) team at the pavilion included John and Susan Carr, Gary Beson, John Bozeman, Larry Chapman, Owen Faust, Dean Gould, Brett Holk, Harold Gibson, Guy Storey, Paul Sykes, Hank Jordan, Jack Kelley, John Shaw, and Jon and Vickie Weyand. Special thanks go out to Owen who was there every day with the contractor who completed the head and storage, Brett Holk, who also installed the control box and wiring to the grinder pump, John Shaw and Denny Blume for their very clever design ideas. We plan to have the membership meeting there March 15, in connection with the wheelbarrow Race and cookout. We will update the membership on the *possible* availability of property suitable for a permanent facility.

The Entertainment Committee also made great strides on the 9<sup>th</sup>, meeting at the Pelfreys and planning for a jam-packed year of fun events. Please thank these volunteers who will work very hard to make 2008 special. We need suggestions for a facility large enough to accommodate us for the Christmas party on December 6. If you have ideas, please contact any Board member.

We look forward to the February meeting and Chili Cook-off on February 23. Club burgees and license plates will be available for purchase.

**PLEASE NOTE: 2008 DUES SHOULD BE RECEIVED BY FEBRUARY 15. DEADLINE FOR INCLUSION IN THE MEMBERSHIP DIRECTORY IS 2/29.**

GYA member clubs usually post their newsletters on their websites. Please visit [www.gya.org](http://www.gya.org) to see what’s happening at our neighbor clubs!

The Yacht Club is off to a fast start thanks again to our great slate of officers, board members, and hard-working volunteers.

Have fun on the water!

**Jon**
