

The “Tell Tale”

The Point Yacht Club Newsletter September 2008

Message from the Commodore

Hopefully, by the time you read this, Gustav will be done with us and no one suffered any damage. Also, Fay was a little weird, keeping us on our toes and making the raft up at the Wharf with PYC interesting. Everyone had a great time. Thanks to those of you who participated. Thanks also to the Asher's for arranging the wonderful event on Friday night at the Wharf.

The LOO WOW was a tremendous success. Thanks to the entertainment committee for making it special and providing the fabulous food. Neal Rowell and his committee made ready the Sunfish and I understand a few participants even got wet! Thanks Kathy for the games! Please welcome new members, Gary and Essie Casper, and Richard Schlinkert and Lane Gregory, voted in at the LOO WOW.

Neal, Pam, and Denny Blume had planned to enter one of the Club's Flying Scots in the Liptons this weekend, however, the event was postponed due to Gustav. Thanks for the effort. It means a great deal to the Club.

Well, now to the most important event of the year for the Point Yacht Club, **LOST BAY REGATTA!!!** The program looks absolutely super. We were successful in selling a record number of ads. Thanks again to everyone who helped with the program, bought or sold an ad, and program distribution. Please make sure to get your copy at Lost Bay. A program will also be in each goodie bag for the racers.

We need your help with Lost Bay!!! You do not need to be a sailor, nor do you need experience. John Bozeman desperately needs your help with race committee duties. These duties include inflating marks, setting marks, helping with registration, handing out information and class ribbons, watching boats round marks, helping identify boats starting and finishing, timing, recording, etc..... We also need runabouts to help with some of these duties. Please call John Bozeman ASAP if you are able to help. We will also need help selling merchandise, handing out goodie bags, collecting money, setting up, taking down, securing the pavilion, and other important functions. John will have a practice session Wednesday, September 10th at the pavilion. Don't wait until then. Please call him now to volunteer.

Rear Commodore, Owen Faust, is developing a plan for making sure the pavilion is secured after our planned events and also prior to storms. Your help is needed in this area as well. If you can help, please call Owen.

Our website has been updated and includes Lost Bay Regatta Notice of Race, Schedule of Events, and a registration form for Lost Bay. 2008 Tell Tales are also on the site as well as links to the GYA.

I have used the tropical weather website much more than I would like, but it is very helpful:
<http://www.tropicwx.com>.

Have fun on the water and support your club!

Jon
