Commodore's Log

We finally have our Website upgrade completed. We are now able to post our own updates to the Directory, the Tell Tale, Meeting Minutes, P & L and Budget Reports, Treasurer's Report and Inventory. If you log on now you'll find our 4/30/09 financials and the approved minutes of the previous month's Board meeting. If you have any changes to your contact information send them to Kim Gibson and we'll keep your Directory info current instead of updating once a year when we print the Directory.

I am happy to report that John Shaw has volunteered to be our Treasurer. His appointment has been approved by the Board. Please be sure to thank him next time you see him. The Nominating Committee will recommend someone to take John's spot on the Board at the next Board meeting. By the way, we have decided that the two Board members who are in their last year will serve as the Nominating Committee. That has the advantage of using their experience and giving them the entire year to develop a slate of Officers for the next election.

We would like to honor our Charter Members and past Commodores at our Silver Anniversary celebration during the Commodore's Cup Party, September 12th. I'd like to ask anyone who has a listing or information on either group to get what you have to me so that we don't miss anyone. Thanks for your help.

Guy and Susan Storey just returned from a BVI sailing vacation. They will give us a Lost Bay Regatta Committee update at the next meeting.

I'm sad to report that my beloved “BAJAN” has suffered a lightning strike. There is electrical and wiring damage. Sanders Yacht Works is handling the repairs.

See you out there,
Paul Sykes

PYC and PtYC JaMakin Me Crazy Party

Point Yacht Club Members,

Just a note to let you know I will be coordinating this event and stand ready to keep you guys informed. I hope we can have a good turnout as we have had the last two years.

The date is Saturday August 29th but if anyone would like to come over on Friday we will be extending free dockage for both nights. Friday nights are our clubs best times with a large turnout of members at the bar. As the time gets closer folks coming by boat should call our dockmaster Greg and let him know who to expect and prepare for slips or T dock space. Greg works Tuesday thru Saturday and his cell is 850-232-5191. Please let everyone in your club know that you don't have to come by boat to enjoy this party, Land Yachts are welcome.

Saturday we will be very casual with a keg of beer by the pool. Saturday evening will be dinner and music with an Island theme so wear your best Island shirt and attire. I will send the menu to you as soon as I receive it.

Sunday morning we have a brunch on the deck about 1000 where everyone brings a dish to share and PYC will provide bloodies and mimosas. We invite our cruising group to join in so we have a good crowd. Often our members who keep their boats in the marina stay the night on their boats.

After brunch take a dip or begin the trip home; whatever your pleasure.

Looking forward to seeing the folks from Point and let me know if you have any questions.
