Commodore's Log

The LooWow turned out to be a great party in spite of the weather.

Melodie Shatzer made a command decision, Saturday morning, to set up the tables on the north side porch and that kept us out of the wind and rain. The table decorations, including fresh pineapples, were terrific!!

This was the first time we actually used Barber's main building and it gave everyone an idea of how nice it's going to be when the project is complete.

It was good to have Gary Beason back and have his special TLC with our keg. Rick McArthur's music was just right and we even had some dancers and hula-hoopers. The shrimp and dessert made for a great dinner. All in all, it turned out to be a fine LooWow and was enjoyed by 83 guests, by Mike Fahey's last count.

The weather did rain out our Poker Run. We decided to have it on September 18th, the same day as the "Commodore's Cup." That way we'll have something for everyone with a party to follow. Joan Sykes is planning Moe's BBQ for dinner. You'll get more info on the Party, Poker Run and a Notice of Race on the "Commodore's Cup" shortly.

We seem to have a cloud over our head recently. We finally tried to have the "Fast Women's Regatta" last week-end at the Pensacola Yacht Club. But, we had to cancel that because of thunder and lightning. We have re-scheduled it for Sunday October 10th, the day after "Lost Bay Regatta." We reasoned that the usual competitors will be here anyway.

Plans for the "Lost Bay Regatta" are well underway. We're planning to conduct the registration and racing out of Pirates Cove and have the Award Ceremony and Party at Barber. We are not at all sure what kind of group to expect. We have scaled things back a bit in case of a small turnout.

Meanwhile, it's finally here. Are you ready for some **FOOTBALL !!!** Hope you have a nice Labor Day Week-end.

See you out there,

Paul Sykes

Tell Tale

Commodores Cup

The Point Yacht Club will hold the annual Commodore's Cup race on Saturday September 18, 2010. Please come out!

The start will be a Bermuda start and will be held on Arnica Bay south of Pirates Cove. Registration and the skippers meeting will be held at Pirates Cove Pavilion. The cost for the race will be \$25.00. The awards will be held at Barber's Marina.

We will place a starting mark south of Pirates Cove and place two Tetrahedrons up in Perdido Bay for a course length of 10-12 miles.

Registration	9:45 am - 10:30 am
Skippers Meeting	10:30 am
Race Warning Signal	11:55 am
First Boat Starts	12:00 Noon
Awards	5:00 PM

Please contact me with any questions.
