I can't believe it is just two weeks until our Dock Party at Barber's. Connie Fuqua and her Social Committee are working hard to make sure that we have a great time and get to take a look at member's boats, tip a few and enjoy the day. I hope many of you are planning on bringing your boats to Barber's that afternoon and maybe even staying over for the night. Remember to reserve your slip with Barber's and also get details about electrical needs. They are charging only \$25 for the evening. No charge for those who will not be spending the night.

The CONA event at the Pensacola Yacht Club on May 7th was a good time with the boat parade, music, drill teams and the Sun Downer event that afternoon. The Point Yacht Club had good representation with Paul and Joan Sykes entering "Bajan" in the parade. Their crew was Guy and Susan Storey and Jon and Vickie Weyand. John Bozeman won 2nd place in the sailboat division on "Orca" and; a little editorial, he was robbed!

Herman and Marghuerita Roberts along with Nick and Linda Steen helped man the Point Yacht Club kiosk (sounds more elegant than tent). We are now officially out of the old "Lost Bay" tee shirt business as we sold all of them along with a few burgees and caps. It was a good sales day and we met a lot of people visiting the event.

Welcome to our new members this month. The board approved three new members at our last meeting. They are; Skip and Nancy Jones, John and Diane Gibson and Charles and Susie Stewart.

Skip and Nancy live in Point Clear and are the proud owners of a 1934 Coveceovich 40' trawler. Skip has spent a lot of time refurbishing the "Dolores Catherine" and we look forward to seeing her. John and Diane live in Atlanta and spend a lot of time here on the Alabama coast. They have a 47' Nordhaver named "Jasdip". Charlie and Susie Stewart live in Birmingham and also spend a great deal of time here on the coast. They sail a 42' Pearson named "One Eighty". Charlie states that he also has a 323 Pearson "Briar Patch" or at least until he can sell it. Welcome aboard to each of you!

Fair Winds!

Misc. Comments

We have a group of 13 members who met on May 5th at the Wolf Bay Lodge to discuss and explore opportunities for locating and establishing a permanent physical home for our club. These are people who are most familiar with the area and also have experience with real estate and leasing ventures. There were many great ideas and comments from the group and we will meet again on June 2nd to follow up on suggestions from our last meeting. We will share these thoughts as we move closer.

THEY WAS ROBBED!!!!!!!!!!
