

Fleet Captains Report April 2020

The Cheeseburger race was held on Saturday April 25th after postponing the race for the prior week.

We had a total of 12 boats. There were 6 Pt YC boats: Mad Cap, Hula Girl, Liberte', Miss Print and Reverie and Midnight Sun 3. There were 4 boats from PYC: Arcadia, Tra-Sea, Shenanigans and Atlantic Union. The last 2 boats were Evelyn and On The Job.

The skippers meeting was held at 11:15 via VHF and we had a Bermuda Start at 12:00. Donnie Fuqua and Mike Graham helped as mark set boat. We had a 12 mile course up Perdido Bay. The Davies volunteered to make Cheeseburgers on Midnight Sun 3 to be distributed after the finish.

The wind was 10-12 knots at the start and upon rounding the weather mark picked up to 18-22 knots. It was great to see so many boats participate in our Club Race.

The finish was back in front of the Point Yacht Club.

The order of finish for the Fleet was: 1st Arcadia,

2nd Mad Cap, 3rd Evelyn. The order of finish for Pt YC boats was: 1st Mad Cap, 2nd Hula Girl, 3rd Reverie.

The race is totally conducted with social distancing.

As far as I know we may be the only Yacht Club holding races in the United States. The little Yacht Club that could.

Donny and Mike used a boat hook to deliver the Cheeseburger. What a great day on the water.

I want to thank Donny and Mike for their help. Neil and Janet Davies for cooking 40 Cheeseburger while sailing in the race.

Our next race is The Short Storey Race to be held on May 9th. We will keep holding our club races in the same format until further notice.
