

## **Fleet Captains Report**

On Saturday March 28 the Wheelbarrow Race was held. Entry fees were a bottle of liquor per boat and was held by our Mark Set boat.

We had 8 boats: Arcadia with Bob Kreigal from PYC, ZigZag with Denny Blume, Evelyn with Ken Wall, Madcap with Matt Taylor Pt YC, Miss Print with Vince Arbour Pt YC, Liberte with Brett Holk Pt YC, Midnight Sun III with Neil Davies Pt YC and PYC and Hula Girl my boat Pt YC and PYC.

Our Mark Set Boat was manned by Don Fuqua and Mike Graham.

In response to the Corona Virus all correspondence was done electronically via text. A picture of race starting times for the Bermuda Start was texted to all racers. The course was 10 miles total with 5 miles up to a Mark in Perdido Bay and back to the start in front of Point Yacht Club. The skippers meeting was held by VHF at 11:15. The first boat started at 12:00. We had a great south breeze and it was a perfect day on Perdido Bay.

Results for Fleet:

1st Place Arcadia 2nd Place Madcap 3rd Place Zig Zag.

Results for Pt YC Club Champion:

1st Place Madcap 2nd Place Hula Girl 3rd Place Miss Print

The 1st Place fleet boat got 3 bottles of liquor, 2nd Place 2 bottles and 3rd Place 1 bottle. The remainder to be distributed by Fleet Captains choice.

We will continue to use this Race format for future races as long as our waterways are open. We want to thank Don Fuqua and Mike Graham for a great job as Mark Set boat. Also, to all the racers who participated and gave us a great day.

The Cheeseburger Race is scheduled for April 18 th. We will advise in the next few days with a NOR(Notice of Race).
